

GOLF STRAMASH EVENT FRIDAY 1st SEPTEMBER 2017 HELENSBURGH GOLF CLUB

Join us for our seventh annual golf day and enjoy playing a round of golf on the challenging Helensburgh Golf Course whilst raising much needed funds for Ypeople.

Ypeople is a Scottish charity that supports positive change in people's lives. This includes supporting people affected by homelessness, providing counselling and mentoring services to vulnerable young people, as well as offering affordable out of school care for families. The money raised from this event will go directly to the people being supported by our services across Central Scotland, Orkney, Fife and the Highlands. The funds will help us to create opportunities that would otherwise not be possible and allow us to continue our support and provision of important services.

Ypeople are pleased to welcome Wheatley Group as this year's main sponsor.

Helensburgh Golf Club is one of the best Moorland Courses in the West of Scotland. A 'Hidden Gem' and a 'Must Play' experience with spectacular views across the Clyde estuary towards Arran and beyond.
